RESPONSE TO NON-COMPLIANT APPEAL BRIEF

In response to the “Notification of Non-Compliant Appeal Brief,” mailed April 14, 2009 in the above-referenced application, for which a response is due May 14, 2009, Appellant respectfully submits herewith a revised Appeal Brief. The revised Appeal Brief has revised section headings in the Argument Section to match the section headings in the Grounds for Rejection Section, pursuant to clarification provided by the Appeals Specialist, Ms. Darlene Brown. The Table of Contents is updated accordingly. Although the Notification indicates that only the alleged defective section is required, Appellant attaches the entire revised Appeal Brief because several pages were altered by the revisions. However, the original signature block has not been updated.

No fee is believed to be due with this submission. However, in the event that a processing fee is required, the USPTO is directed and authorized to charge any required fees, except for the Issue Fee and the Publication Fee, to **Deposit Account No. 50-2191**, referencing 1016760061P. Please also credit any overpayments to said Deposit Account.

Dated: April 20, 2009

Respectfully submitted,
